

The Event

Jazzin' on Jefferson brings community together to celebrate the rich history of the Jefferson East neighborhood and highlight the work that is being done to create its future. We feature local and national performing artists.

Past headliners include Marcus Belgrave, Eddie Bo & the Motor City All-Stars featuring Johnnie Basset, Robert Bradley's Blackwater Surprise, Dirty Dozen Brass Band, and Lonnie Brooks Blues Band.

JEBA

Jazzin' on Jefferson is produced by the Jefferson East Business Association, a 501(c)(3) non-profit that focuses on improving the quality of life on Detroit's lower Eastside by addressing the needs of the business and residential community.

JEBA uses proceeds from the festival to support important programming such as business assistance, facade improvement programs, clean and safe initiatives, and other activities to promote the district. Jazzin' on Jefferson is designed to be an economic development vehicle presenting an opportunity to showcase progress within the Neighborhood. The Festival highlights a variety of opportunities centered around the creation of a vibrant arts and cultural district along East Jefferson Avenue.

Artist Application

Exhibit and Sell in Our Gallery

We invite Detroit area artists to join us by exhibiting and selling their own hand crafted work. In the past artists were asked to handle their own tent, increasing costs and complications. This year we are sharing a larger tent, with each accepted artist having their own display area. Tables and panels are provided. Central check out allows us to keep your costs lower. Instead of a large booth fee, we are instituting a small application fee, with a reasonable (15%) commission on sales. Your costs will be directly related to your profits.

Jazzin on Jefferson Gallery

Jefferson Boulevard between Chalmers & Alter in Detroit

The Gallery

The Jazzin on Jefferson Gallery is dedicated to presenting works of talented local artists and crafts people. We attempt to simplify every part of your participation. Tables or hanging panels are provided, bring just your artwork and any displays or cases.

Application fees are as low as \$20. A low commission of 15% is due on sales. In order to comply with city business license requirements we will be using a central check-out in the gallery tent. This saves each individual from applying for a \$115 permit.

"This is a juried event. Application materials must be **postmarked by May 1st** to be eligible for jury review. Artists will be contacted mid-April with jury results. Work will be rejected if we suspect that it is not produced by the exhibiting artist or the work is likely to be objectionable to a large percentage of our family audience.

Display

You must use either our 6' table or two of our panels. Other display material is up to you, but must remain within a 2x6 area. If your work is larger you may elect to have a space outside of the tent. Chairs are also provided.

Digital Photos

Submit a digital photo for each medium you are applying for. These will be used in promoting the event.

Buy /Sell Policy

This is a subsidized section for artists only. "Buy/sell" (items not handcrafted by the artists) is only permitted in our full price retail booths. Every booth will be inspected before the opening of the show by a panel of artists in varying fields. On site jurors will require you to remove offending items. We ask your assistance in this effort. If you see a problem we have overlooked, or have ideas to make this an even better show let us know.
